*Crime 'n Dine Events*

CRIME SCENE CRIME SCENE CRIME SCENE

**Money Penny Murder Mystery Productions** involve all of your diners as teams of detectives. Their task is to solve a deadly whodun'it by identifying the killer, motive and weapon. A "*Murder Mystery*" is ideally set over a meal and begins with diners witnessing live action altercations that lead up to the ghastly crime being committed. It is then up to your guests to interrogate the suspects, examine forensic evidence and solve the mystery.

Each **Money Penny Production** event is suitable for groups of 10 to 100 diners. A bespoke option is available to larger groups, promenade performances or inclusive treasure hunt activities. All our Crime'N Dine shows have strong teambuilding elements with the emphasis on celebration, interaction and hilarious entertainment.

For smaller groups, intimate gatherings and private parties a Money Penny Murder Mystery Production is the perfect icebreaker.

The smallest audience size we have performed to is four diners but on average a private event usually has between 10 and 35 diners.
